From the Prophet, El Hajj Sharif Abdul Ali:

I, the Prophet, do hereby believe that this administration of the government being more wisely prepared by more genius citizens that believe in their free national constitution and laws and through the help of such classes of citizens, I, the Prophet, truly believe that my people will find the true and Divine way of their forefathers, and learn to stop serving carnal customs and merely ideas of man, that have never done them any good, but have always harmed them.

So, I, the Prophet, am hereby calling aloud with a Divine plea to all true American citizens to help me to remove this great sin which has been committed and is being practiced by my people in the United States of America, because they know it is not the true and Divine way and, without understanding they have fallen from the true light into utter darkness of sin, and there is not a nation on earth today that will recognize them socially, religiously, politically or economically, etc. In their present condition of their endeavorment in which they themselves try to force upon a civilized world, they will not refrain from their sinful ways of action and their deeds have brought Jim-Crowism, segregation, and everything that brings harm to human beings on earth. And they fought the Southerner for all these great misuses, but I have traveled in the South and have examined conditions there, and it is the works of my people continuously practicing the things which bring dishonor, disgrace, and disrespect to any nation that lives the life. And I am hereby calling on all true American citizens for moral support and finance to help me in my great missionary work to bring my people out of darkness into marvelous light.

As an Officer(s) of the Court, you and your assigns are bound (or have taken) a solemn Oath (See Article VI) to uphold and Support the Constitution for the United States Republic. Your Refusal to release a Moorish American Nationals from your unlawful, „colorable“ custody and submit a response to this Affidavit will be construed to be further evidence of „Colorable Acts“ in violation of the constitutionally secured exercise of the Rights of the American People. Such an act and imposition is a violation of your Official Oath of office. This can result in additional lawful remedy actions filed against those violating Officers of the Court, Under Title 18 and Title 42, in their official and private capacities. The Law always gives a remedy for the people against color of law actions committed by those who violate their Oaths of Office colluding to abridge the Rights secured for the Natural Beings and the citizens.

Cause of Action

The Foreign Corporation of CHARLESTON / (CROWN) STATE OF SOUTH CAROLINA, UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF THE (CROWN) STATE OF SOUTH CAROLINA (MINOR), Al Cannon Detention Center has unlawfully detained Moorish American National Rashaun Allen El, against the Constitution for the United States, the Treaty of Peace and Friendship 1786/ 1836, and against the ecclesiastic laws of Allah which state that it is a sin to violate the Constitutional Rights of a Free National

Government. You are hereby notified that you have committed the following: kidnapping, attempted Denationalization, Fraud, Threat, Duress and Coercion, Conspiracy, Human Trafficking, Forced Population Transfer, Violation of Title 18 Chapter 43 Section 913 Impersonating Government Officials, Inducement to fraud, denial of due process (trial by a jury of my Moorish American National Peers). I have not waived any of my rights as an Aboriginal Indigenous Moorish American National. Also, there is no injured party who has filed a written and signed statement of injury as required under the Rules of Discovery in order to provide a proper defense. All charges made are evidence of human trafficking as stated in the Constitution for the United States Amendment 13, section 12. No discovery has been filed. All ransom payments demanded by this foreign court venue are products of the Federal Reserve Act of 1913 which states that "Federal Reserve Notes to be issued...through the Federal Reserve Agents as hereinafter set forth and no other purpose are hereby authorized" - Moorish American Nationals are not Federal Reserve Agents therefore Federal Reserve Notes re not authorized for the purpose that you have demanded and do not serve as a form of legal money.

I affirm for the record the following facts and declarations of this entire document **to be entered into the Public record immediately:**

1. This document, all documents, all statements and declarations made by Moorish American Nationals in all foreign court venues are to be placed into the public record, for the record, on the record, and let the record show.
2. I, and all Moorish American Nationals declare that all foreign persons who are party to these unlawful actions against the Natural People of the Land who proceed contrary to the Constitution For the United States, or who have taken a private foreign oath to Masonry or other Secret Societies are hereby rejected as public servants, "government" officials and trustees and declare that you have no standing at law nor merit being repugnant to the Constitution For the United States. I publicly rebut the Presumption of Public Service as it is by definition a presumption and has no standing or merit in presentable or material fact.
3. I, being of Moorish American Bloodline, publicly rebut the Presumption of Public Oath which infers that all members of the Private Bar Guild acting in the capacity of "public officials" who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly, impartiality and fairly as dictated by their oath. I publicly demand that the "judge" declare under oath to have functioned under their Public Oath of Office and not under their Private Guild Oaths. I declare that if said Private Bar Guild member has functioned under their Private Bar Guild Oath in contradiction to their Public Oath of Office, such individuals must recuse themselves as having a conflict of interest against their public oath.
4. I, and all Moorish American Nationals demand that the acting "judges", prosecutors, and magistrates present their oaths of office for the public record as they are not immune from personal claims of injury and liability. I publicly rebut all presumptions of Immunity made by said acting "judges", prosecutors, and magistrates.

5. I, and all Moorish American Nationals publicly rebut the Presumption of Summons which infers that by custom a summons un rebutted stands and therefore one who attends Court is presumed to accept a position (defendant, juror, and witness) and jurisdiction of the court. I, and all Moorish American Nationals reject all invitations by summons.
6. I, and all Moorish American Nationals publicly rebut and reject all summons and/or warrant for arrest as they are not withstanding. We rebut that one who attends Court is presumed to be a thing and therefore liable to be detained in custody by "Custodians". Custodians may only lawfully hold custody of property and "things" not flesh and blood soul possessing beings. We are not "things or property" and are therefore unlawfully being kept in custody by custodians.
7. I, and all Moorish American Nationals rebut and reject all foreign court venues as Guardians of the Natural Aboriginal Indigenous Moorish American Nationals. We are not paupers nor residents of said foreign wards/agents/court venues pretending to be government.

8. I, and all Moorish American Nationals rebut and reject the fraudulent title of "trustee" at all times. I, and all Moorish American Nationals are the Executors, Administrators, Beneficiaries, Claimants, and Creditors in this and all proceedings against me/us by this foreign Roman court venue and its foreign agents who are debtors and belligerent trustees acting as "judges", prosecutors, attorneys, clerks, bailiffs and magistrates. I appear here under threat, duress and coercion by way of kidnapping and/or other unlawful acts perpetrated against me by this foreign corporation pretending to be public servants.
9. I, and all Moorish American Nationals rebut and reject the inducement to fraud that is perpetrated on the Natural Divine Living People of the Land by the acting "judges", prosecutors, and magistrates with the foreign court's presumption that I/we have expressed and granted them authority by stating such words as, "recognize, understand, comprehend" as words that bind us to unlawful fraudulent contracts of adhesion. I, and all Moorish American Nationals do not "recognize" you nor do we "stand under" your fraudulent, colorable authority, nor do we "comprehend" your fraud. We reject and rebut all contracts at all times.
10. I, and all Moorish American Nationals are competent to present ourselves and declare our lawful Executorship and Beneficiary offices and will not submit to psychiatric evaluations by foreign court venue agents.
11. I, and all Moorish American Nationals rebut any claims of "guilt" perpetrated on us by foreign court venues and it's agents, "judges", prosecutors, and magistrates. 12. I, and all Moorish American Nationals rebut and reject the representation of all barristers, attorneys, and foreign law persons of the Roman Court venues. We present ourselves at all

times. We present with the assistance of Moorish American Consuls at our choosing. All foreign barristers, attorneys, or foreign law persons of the Roman courts attempting to represent me/us or attempting the crime of inducement to fraud shall be subject to liens, fines, imprisonment and any other redress that we choose.
